'I/A' ITEM NOTE

From: General Secretariat of the Council
To: Permanent Representatives Committee/Council

Subject: Draft REGULATION OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL establishing a centralised system for the identification of Member States holding conviction information on third-country nationals and stateless persons (ECRIS-TCN) to supplement the European Criminal Records Information System and amending Regulation (EU) 2018/1726
(first reading)

- Adoption of the legislative act
- Statement

Statement by the Commission

The Commission regrets that the co-legislators have decided to limit the inclusion of fingerprints of convicted third country nationals and dual EU/third country nationals in the ECRIS-TCN system. Since fingerprints are currently the most reliable form of identification of individuals, the Commission regrets these limitations on the inclusion of fingerprints, which in its view will make the ECRIS-TCN system less effective in achieving its aim of ensuring that criminal records information is reliably made available for the purposes of criminal procedures, preventing child abuse, granting licences and other legitimate purposes laid down in national law in line with the Directive.
