Subject:	Draft Directive of the European Parliament and of the Council amending Council Framework Decision 2002/465/JHA, as regards its alignment with EU rules on the protection of personal data - Confirmation of the final compromise text with a view to agreement

---

#### **Introduction**

On 20 January 2021, the Commission presented a proposal for a Directive to align Council Framework Decision 2002/465/JHA, on Joint Investigation Teams (JITs), with European Union rules on the protection of personal data (5708/21).

Following examination by the Working Party on Judicial Cooperation in Criminal Matters (COPEN), Coreper agreed, on 21 April 2021, to start negotiations with the European Parliament on the basis of the text set out in 8043/21.

In their work, the COPEN Working Party and Coreper took account of the opinion delivered by the European Data Protection Supervisor on 10 March 2021.

## **Work in the European Parliament and interinstitutional negotiations**

In the European Parliament, this file was attributed to the LIBE Committee.

On 15 September 2021, the European Parliament decided not to propose any amendments to the Commission proposal, in accordance with a simplified procedure.

On 21 September and 13 October 2021, technical meetings were held between representatives of the European Parliament, the Commission and the Slovenian Presidency, the latter representing the Council. In the course of these meetings, and during subsequent communication, provisional agreement was reached on the draft amendments that the European Parliament would present in respect of the Commission proposal.

At its meeting on 29 October 2021, the COPEN Working Party discussed these draft amendments, on the basis of 13030/21. In a subsequent informal silence procedure that ended on 4 November 2021, all Member States indicated that they could agree to these draft amendments.

In the trilogue which took place on 11 November 2021, provisional agreement on the draft amendments, and thus on the final compromise text, was confirmed.

Lawyer-linguists have already started working on refining the text. Some technical modifications are included in the text set out in the Annex to this note; other refinements will be presented later on, in accordance with the usual procedure.

### **Follow-up**

In the light of the foregoing, the Permanent Representatives Committee is invited to:

- confirm the final compromise text of the draft Directive, as set out in the Annex to this note;

- authorise the Presidency to send a letter to the Chair of the European Parliament’s LIBE Committee confirming that, should the European Parliament adopt its position at first reading, in accordance with Article 294(3) TFEU, in the form set out in the compromise text contained in the Annex (subject to revision by the lawyer-linguists of both institutions), the Council would, in accordance with Article 294(4) TFEU, approve the European Parliament’s position and the act shall be adopted in the wording which corresponds to the European Parliament’s position.
